DETAILED ACTION

1. This office action is responsive to the amendment received on 03/22/04. Claims 15,17,19-29 are allowed. Claims 1-15,16 and 18 have been canceled.

Allowable Subject Matter

2. Claims 15,17,19-29 are allowed.

The following is an examiner's statement of reasons for allowance of claims 15 and 19-26:

The prior art of record does not teach a configuration state for implementing a configuration process, the configuration state supports entry from the idle state and from the built in self test state after receipt of a configuration clock signal; and an operate state that controls operations of arithmetic logic units, and is entered after completion of the configuration process with the combination of all other features of the independent claim 15.

The following is an examiner's statement of reasons for allowance of claims 17 and 27-29:

The prior art of record does not teach a programmable multi-scale array having an array of configurable arithmetic logic units supporting register transfer level functions, random logic structures, and state machine structures with the combination of all other features of the independent claim 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
